

# Rental Service radio transmitter Motorola GP344

So small and light that  
will make your work great

**Only with AV Set you can have the full set of performances of Motorola GP344's radio transmitter.**

Now more than ever it is easy to keep in touch at work. The GP344 professional radio has taken the features and quality of the existing GP range, and reduced in size to give a radio that is both small and smart. Endowed with a performing earphone, this radio is the perfect way to work comfortably in freehand.

With our exclusive rental formula, GP344 radio is the most convenient and is always handy.

## Ways will make your job easier

- Quality audio (with noise reduction even)
- Whispering Mode
- Voice Operated Transmit (VOX)
- Channel Scan
- Programmable Channel Spacing
- Signaling Private Line™
